

Skylight Guardrail System

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Designed To

Designed specifically to address fall protection concerns without minimizing light from your skylights, this rooftop guardrail system allows for the optimum use of your skylight while ensuring that it does not become a fall protection liability.

Counterweighted System

Our skylight guardrail systems are free standing and utilize our counter weighted baseplates, eliminating the need for hardware connections to your rooftop.
