

Hopper, 12-08-2009

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Designed For

This rugged, welded steel hopper can solve your bulk handling problems and increase productivity low cost means quick payback. This Hopper is designed for forklift handling, dump safely from any height and are precisely balanced to tip forward for complete discharge of contents and return to an upright position.

Safety

The positive locking latch on this hopper prevents accidental dumping, whereas the 2" formed top lips are strong and eliminate sharp edges.
