

Narrow Roll Handling Equipment

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Designed For

One major challenge which businesses face when they need to maneuver rolls around their facilities is trying to pick up rolls of a variety of widths and weights, that problem can be solved with this unit.

Movement

This narrow roll handling unit allows the user to pick up rolls of a variety of different widths and diameters.
