

Vacuhand V Vacuum Lifter

Designed For

The Vacuhand V vacuum lifter allows easy and comfortable handling of a wide range of items, from sacks and carton boxes to board material such as glass, metal sheets and doors. We recognize the needs of your facility are likely highly specific which is why we offer a wide range of standardized grippers and accessories such as angular toggle joints, quick fasteners, extension parts, and elbow joint handles.

Movement

The design of the Vacuhand V vacuum lifter aims to maintain a minimal level of leakage, which ensures secure performance and a drastic decrease in energy consumption.
