

Wide Flange Gantry Crane

FACTORY SUPPLY INC.
3412 49th Street North
Saint Petersburg, FL 33710

Designed For

Made for extra strength, rigidity, and durability, this wide flange gantry crane is a custom-engineered lifting solution for CMAA Class C or D Service or for applications requiring a longer span or heavier capacity than a standard gantry crane.

Movement

Wide Flange Gantry Cranes are ideal for applications that require: Supplemental lifting systems that free up your existing large overhead cranes. Wide, clear passage underneath the gantry for machinery, vehicles, and personnel. A lifting system that requires no floor tracks (or, for single leg designs, no angle guides); uses polyurethane wheels for maximum traction directly on the floor; quiet operation and speeds up to 75 FPM.
