

# Can Tipper, Model 2-15

FACTORY SUPPLY INC.  
3412 49th Street North  
Saint Petersburg, FL 33710

## Designed For

This double can tipper can handle one or two 5-gallon cans' or pails. The can tipper is able to dispense from either can, the top pail dispenses at 34 inches high and the ring of the top pail holder is 43 inches high. This pail handling unit has a dispensing height of 10 inches and can handle two cans' or pails up to 12.25 inches in diameter and from 10-19 inches tall.

## Usage

With the addition this can tipper, you will be able to control the dispensing from your heavy 5-gallon cans or pails weighing up to 75 pounds. By implementing this pail handling system, you will be able to increase employee safety, reduce the risk of spilling valuable contents and prevent environmental contamination.
